VISIT US AT

www.ongezalife.co.za

- Open your Ongeza Life Plan insurance account with any amount of once-off premium from R500
- Pay once and you are covered for life
- You can run your own quote online by inserting the amount of once-off premium or inserting the amount of cover required
- You can also top up your cover whenever you are able to
- Every top up adds to your previous cover amount
- There is a 6 months waiting period for deaths due to natural causes for every premium paid
- No waiting period for accidental death
- If death occurs as a result of suicide during the first 12 months of any premium payment, no benefit is payable *
- There is a cooling off period of 31 days from inception whereby you can cancel the policy and be refunded the premium paid
- Top up your cover online at www.ongezalife.co.za, available 24 hours a day, 7 days a week or contact your broker
